## About the Composer

**SRI CHINMOY** moved from his native India to New York in 1964. A poet, artist, humanitarian, musician, sportsman and **MEDITATION** teacher, he dedicated his life to the **SERVICE** of humanity through these many different avenues of endeavour. Sri Chinmoy set up meditation centres all over the world so that meditation classes could be offered free of charge. He offered 777 **CONCERTS** of meditative music, also free of charge, to bring an experience of personal peace to the listener. In this spirit, we bring you a concert of his music.
